# With One Voice

How babies around the world bring us together

Join us for this special celebratory conference to mark 25 years of the Brazelton Centre UK. Learn and experience fascinating things about babies in countries around the world from our international speakers. Hear about how the Brazelton approach is used internationally in different cultures and contexts to promote the baby's voice.

## A conference with a difference

-  Engaging, interactive talks & activities
-  Special delegate bags & resources to take home
-  Iconic venue & international networking

13th July 2022
